

# YOUR DONATIONS MAKE A DIFFERENCE!

Donations to the KCM Food Pantry, and the KCM Resale Stores are an important part of providing resources and funding for the life transforming work of KCM. We are a 501(c)(3) organization serving local families since 1984. \$.91 of every dollar given to KCM directly supports our programs: KCM Food Pantry, Social Services, Crisis Center, and the Counseling Program.

**The KCM Truck will be coming to your church to make it easy to drop off your donations!**

- If you have a NEW mattress to donate, it must still be in its original plastic wrapping. Pianos may be donated at the 1st Street location, but KCM trucks cannot pick these up.
- KCM reserves the right to respectfully refuse donations that we believe we would be unable to sell. This is to prevent us from incurring additional costs associated with recycling/disposing of the items. Our Staff and Volunteers work hard to use your donations to support the work of Katy Christian Ministries and the families we serve. The better stewards we are, the more families we can help!
