

KATY CHRISTIAN MINISTRIES

SANTA'S SLEIGH

SANTA'S SLEIGH "ADOPTION" GUIDELINES

This is where you have the opportunity to be "**SANTA CLAUS**" and bless a child in need.

KCM will provide information on children and senior adults, including age, gender, clothes size, and Christmas Wish List. When adopting several children, please treat them equally.

We will be sending you the children's "wish lists" with their first names, ages, and sizes. If you feel some of the requests are excessive, please do not be offended. Remember, these are the children's "wish lists". They will be delighted with whatever they receive. If you "adopt" a senior adult, we will provide a "wish list" along with their first name and sizes. We hope this additional information will make your shopping easier.

If you are a group or organization adopting 10 or more children, **PLEASE APPOINT A CHAIRPERSON** to oversee the adoption of families. This is to ensure that all children within each family are shopped for equally. This chairperson will also be the liaison between your group and the Santa Sleigh committee.

IMPORTANT: Due to space limitations, please **DO NOT** donate furniture, beds, or heavy appliances. We are requesting gift cards or gift certificates in lieu of perishable and non-perishable items. Please place the gift certificates/ cards in envelopes, label them with the child's name and adoption number, and give them to the Santa's Sleigh Chairperson at gift drop-off.

Please limit the gift cost per person to a minimum of \$75 and a maximum of \$100. Place **UNWRAPPED** gifts in a black heavy-duty trash bag. It is very important to write the adoption number and the child's name **BOLDLY** on the outside of the bag and make sure the label is firmly taped to the bag with cellophane packing tape. Please use a separate bag for each child. If you choose to provide gift wrap please place it in a separate bag.

Bicycles, tricycles, and wagons should be delivered already assembled and labeled with the child's name and adoption number. Tape an 8 ½" x 11" label to the handlebars or wagon handle. This is to ensure the correct child receives his/her gift.

The location of the event is still being finalized. When a location is confirmed, those registered will be emailed the proper information with a drop-off location and instructions.

Delivery times are Friday, December 4, 2021, from 11:00 am to 7:00 pm

KCM respects the confidentiality of families in need. KCM will not reveal the last names and addresses of clients enrolled through the KCM office. **PLEASE, DO NOT REVEAL YOUR IDENTITY IN ANYWAY** to the recipients.
