# OUR MISSION

## A message from our Executive Director, Deysi Crespo, MSW

My inner and external voice in 2021 shared with many around me was to choose **JOY** every day! Working through an array of distresses caused by any type of crisis in the lives of our friends and neighbors in our community, including in the lives of organizations like ours, we told each other to "choose joy!". Regardless of the challenges, we pivoted our focus on the many blessings in the midst of it all. It was the immediate feeling of **JOY**, guided by the scripture that nothing is impossible with God (**Luke 1:37**), which kept our body, mind, and spirit resilient and motivated. We humbled each other daily, thankful for his grace and mercy for all that we were able to achieve in a unified mission. Thank **YOU** for joining forces with our dedicated team of Board of Directors, Staff and Volunteers. We are all **ONE**, together, committed "to transform lives through God's grace and the generosity of the community". I humbly ask that you continue to walk this journey with us as we embrace and implement our 5-year Strategic Plan for annual continual growth for an empowered and self-sufficient community.

# RESALE STORES

“

I've been going to KCM for about three years now and I've had the most wonderful experience. In my country, Belize, toys and clothes are very expensive, prices can be extremely unreasonable. Thanks to KCM, in one year, I was able to send a 40 ft container full of toys, clothing, and much more. These items go to evacuees from countries around Belize. I would not have been given the opportunity to do this without such incredible employees. I consider each employee/volunteer at KCM to be family.

“ Volunteering with KCM provides me an  
opportunity to do something bigger than  
myself for those who are less fortunate while  
also giving me purpose and fulfillment. When  
I help people and see the gratitude and  
appreciation in their eyes, I feel good deep  
down in my heart. I am excited when I  
volunteer. I feel a connection to our clients  
and an opportunity to share God's blessings  
with others so that they may grow. ”

## HOW TO ORGANIZE A FOOD DRIVE

- 1 Choose a location! Your church, school, where ever you decide.
- 2 Decide what kind of items you'll be collecting and spread the word! (Here's a hint!) Set a timeline and coordinate with the KCM Food Pantry.
- 3 Let the drive begin! The KCM Food Pantry is open Monday - Thursday, 9AM - 4PM for donation drop-off.

I feel even more fortunate to be connected with an organization that not only assists its community through rental, utility, and nutritional assistance; but provides clients with support through the values that I see as most important. These values include treating clients with dignity and worth, understanding the importance of human relationships, and sharing a sense of empathy with clients. I will forever remember this experience with Katy Christian Ministries.
